Subject: RE: Lombard Presentation

Hi Allen. I hope you had a nice weekend. I have good news that it looks like Nicor Gas will contribute the \$300. They're sending it through a couple approval levels before their manager can confirm.

Please call me at your earliest opportunity to discuss the awards ceremony on July 5th. We need to get the press release out very soon in order to get it in the papers in time.

By the way, we were just notified that our Board of Trustees will hold a special meeting on July 12th at 7:30PM. A presentation there would work well if that's an option since it would be broadcast as part of the meeting on our local cable TV.
